1997

Fall 2020 semester is fast approaching with classes starting on October 16th. Following the 'new normal' method of lecture delivery, classes for this semester will mostly be virtual. Thus, you are urged for every session of your subjects to go online (on Moodle) and watch the lecture as well as complete any homework, assignments and quizzes found there. This way, your lecturers can record your attendance and assess your progress. Virtual and in-class meetings will also be arranged by the lecturers, hence, you are expected to keep track.

Casa College YouTube channel

We are excited to announce that we have recently launched our Casa College YouTube channel where you can already find our first videos. Soon, you will be able to directly connect to the channel via our website. Subscribe to the channel (https://www.youtube.com/channel/UCxNqkLP_cpeIBoA7C6XvoZOQ) so as not to miss any of our videos, and feel free to send us your videos from your student life with tips or experiences that you wish to share with Casa community.

Become a specialist in cultural tourism (CultVET course)

You are welcome to participate in the free CultVET course that will provide you with a professional qualification in cultural tourism. The curriculum includes lectures and practical training. The course will start on October 19th and will be completed on February 26th. Due to COVID-19, the lectures will be delivered online through Zoom. A limited number of positions will be offered. Therefore, if you wish to register for the course, contact Mr. Andreas Kassinos at studentaffairs@casacollege.ac.cy by October 9th.

Cyprus Independence Day October 1st

Ever since 1960, October 1st has been celebrated as the day of the agreement signed between Greece, Turkey, Britain and Cyprus for Cyprus to become independent after the EOKA struggle in 1955-1959 against the British colonists. The annual military parade will take place without the public allowed to attend this year due to COVID-19 restrictions.

Greek Independence Day October 28th

October 28th is celebrated throughout Greece and Cyprus as a national holiday. It is the day (in 1940) when the Greek Prime Minister rejected the ultimatum made by the Italian dictator, attacking the Italian invading troops.

We are celebrating World Food Day October 16th

Established in 1979, the World Food Day is an international day celebrated on October 16th. The day is an opportunity to raise awareness about food loss and help people who do not enjoy the privilege in indulging in food. Behind our food, there is always someone who produced, planted, harvested, fished or transported it. Thus, on this day, we also take the opportunity to thank these Food Heroes.

Casa College and KASA High School celebrate the World Food Day with a poster contest. Use your imagination and create a poster of your favourite food hero at work (farmer, chef, supermarket employee, etc.) that makes sure that food makes its way to our table. It can be a photo, drawing or computer-created picture. Your entries must be sent to studentaffairs@casacollege.ac.cy by October 30th. The winner will receive a surprise gift.
