

INTERNATIONAL STUDIES EXPO 2022

Casa College in Academic Partnership with the University of Northampton participated in the International Studies Expo that took place over the weekend of 19th and 20th of March at the Cyprus State Fair. The image that was portrayed was one of unparalleled professionalism and that was evident in the positive response we received from all the attendees whether they were parents, university graduates or high school students. Our staff was on-hand to answer all questions with enthusiasm and a smile on their face further solidifying our position amongst the Universities on the island. We are certain that come this fall, many of the interesting and friendly faces met during this studies expo will be joining the University of Northampton here in Cyprus, also solidifying their success in their future careers. Big thanks go out to our career counselor Ms. Andria Onoufriou for all the hard work she put into so that our institution could participate in this Studies Expo.

Representatives from the University of Northampton will be in Cyprus on April 21st & 22nd. Make sure you drop by to introduce yourselves and have all your inquiries answered.

April 1st

Public holidays are important as these days have significance in the history of a nation. Public holidays remind us of our heritage and of all the things that bring a nation together under one identity. These days are important as they act as a guide for current and future generation instilling the values and the lessons learned on these days. They are the countries equivalent of personal milestones like birthdays and anniversaries, giving the population time off work to remember their history and celebrate.

One such holiday for Cyprus is April 1st, known as Cypriot National Day, which marks the independence of Cyprus from the British. On April 1st 1955, EOKA, whose aim was unification with Greece, started a guerilla campaign against the British. This lasted for the next four years and on August 16th 1960, a cease-fire was reached and Cyprus attained its independence.

The day is marked by closed shops and businesses as well as a military parade in the capital, Nicosia.

Easter

Easter is a Christian festival and cultural holiday commemorating the resurrection of Jesus from the dead, described in the New Testament as having occurred on the third day of his burial following his crucifixion. It is preceded by Lent, a 40-day period of fasting, prayer, and penance.

The week before Easter is known as Holy Week. Each year, Holy Week and Easter Sunday fall on a different date. Easter is the most important religious holiday for Christians around the world. The college will be closed for Easter holidays from April 16th to May 1st.

Ramadan

Ramadan for the year 2022 starts on the evening of Saturday, April 2nd lasting 30 days and ending at sundown on Sunday, May 1. Ramadan is the ninth month of the Islamic calendar. It is a month of fasting, prayer, giving and self-evaluation observed by Muslims. The month lasts 29-30 days depending on the sightings of the crescent moon.
