World Kindness Day is an international event which is celebrated every year on November 13th. World Kindness Day was first launched in 1998 and was organized by the non – profit organization: World Kindness Movement (WKM). The mission of WKM is to create a fairer, better world. This special day is a great opportunity for all of us to promote kindness in all forms such as acceptance, diversity and love.

## DID YOU KNOW THAT...

People who are constantly kind produce 23% less cortisol which is the stress hormone...because of the lower levels of stress, people who practice kindness age slower than the average population...

**" In a world you  
can be anything...  
be kind "**

The day after Thanksgiving is commonly known as Black Friday. This day often falls on the fourth Friday in November each year. Many stores offer discounts on a wide variety of goods. Black Friday is one of the busiest shopping days of the year with the shoppers getting gifts for the December Holidays.

5 Black Friday Shopping Tips:

- Research the products you want beforehand
- Research your favourite products' price history
- Make a list of different retailers selling the same product
- Shopping in store on Black Friday? Use your phone, too
- Look at the price, not the "saving"
