

On February 3, 2024, Kasa High School and Casa College students went on an exciting journey to Troodos Mountain, Cyprus. It was part of their school's fun activities, and everyone was thrilled about experiencing snow for the first time. Excitement filled the air as they encountered snow for the first time, indulging in timeless winter activities like building snowmen and engaging in playful snowball fights. The trip to Troodos showed them the joy of discovery and the importance of friendship outside the classroom. As they said goodbye to the snowy mountains, they carried memories to last a lifetime and excitement for future adventures.

FOUNDERS DAY HONOURS 63 YEARS OF EDUCATION LEGACY

On February 10th, our school celebrated its first-ever Founders Day under the guidance of Ms. Elina Saveriades, and it was a remarkable success. This special occasion was held in honour of the visionary Mr. Christos Saveriades, who established our esteemed institution and celebrated the institution's 63 years of dedication to education. Amidst the festivities, we joyously acknowledged the birthday of our esteemed founder, Mr. Christos Saveriades. Students participated in engaging activities such as TikTok contests and poster making, which allowed them to express their deep appreciation for our school and demonstrate strong unity and camaraderie. As we reflect on this momentous day, we remain profoundly grateful for our founders' enduring legacy and tireless efforts. Their remarkable vision continues to guide and inspire us as we navigate the journey ahead.

CASA COLLEGE AND ST. STYLIANOS COLLABORATE ON JOURNEY OF HEALTHY COOKING

On February 15th, St. Stylianos students attended a healthy cooking training session at Casa College's well-equipped kitchen laboratory. Led by expert Ms. Chrysoulla Trisvei and assisted by Casa College students, the session allowed students to gain hands-on experience in crafting healthy dishes, exchange ideas and support each other's culinary activities. This marked a critical moment in their pursuit of wellness, deepening their understanding of the importance of nutritious eating in leading a healthy lifestyle.

GREEN CONNECT WORKSHOP EMPOWERS CASA COLLEGE AND KASA HIGH SCHOOL STUDENTS TO BUILD A GREENER FUTURE

On February 15th, St. Stylianos students attended a healthy cooking training session at Casa College's well-equipped kitchen laboratory. Led by expert Ms. Chrysoulla Trisvei and assisted by Casa College students, the session allowed students to gain hands-on experience in crafting healthy dishes, exchange ideas and support each other's culinary activities. This marked a critical moment in their pursuit of wellness, deepening their understanding of the importance of nutritious eating in leading a healthy lifestyle.

CASA COLLEGE SHOWCASES ADULT NURSING & CRUISE SHIP HOSPITALITY OPERATIONS PROGRAMS TO ACCREDITATION OFFICIALS

CASA College recently hosted accreditation officials to evaluate its Adult Nursing and Cruise Ship Hospitality Operations programs, reaffirming its commitment to providing high-quality tertiary education. The presentations were conducted on February 6th and February 27th, showcasing the college's advanced training and teaching methods. The Adult Nursing program highlighted its comprehensive curriculum, which prepares students for various healthcare environments through partnerships with local hospitals. Similarly, the Cruise Ship Hospitality Operations program emphasised practical training by combining classroom learning with hands-on experience in customer service and event management in the Cruise ship landscape. The accreditation process provided valuable feedback for continuous improvement, solidifying CASA College's reputation for tertiary education.

STUDENTS FROM KASA HIGH SCHOOL AND CASA COLLEGE SHOWCASE COMMITMENT TO COMMUNITY ENGAGEMENT IN THE MYLIKOURI MARATHON

A group of students from Kasa High School and Casa College recently served as race assistants and media team in the Mylikouri Marathon, which took place on February 25th amidst breathtaking mountain scenery. The students played various roles, including registration, cheering on the runners, and documenting the event through photography and video. They created a lively atmosphere of camaraderie and formed meaningful connections with the participants, demonstrating teamwork and resilience. The students enjoyed the beautiful surroundings and contributed to the marathon's success, highlighting their dedication to community engagement and personal growth.

KALOSORISMA 2.0 WELCOMES STUDENTS TO KASA HIGH SCHOOL AND CASA COLLEGE

KASA High School and Casa College began their academic year on February 14th with Kalosorisma 2.0, an annual orientation program aimed at helping students succeed. The program was led by Managing Director Ms. Elina Saveriades and provided students with valuable guidance for both their academic and personal growth. The program included informative discussions on grading systems, academic calendars, payment plans, registration, and school social media. These sessions offered a comprehensive roadmap for the journey ahead. KASA High School and Casa College are committed to nurturing the potential of every student, creating a supportive and inclusive community defined by growth, camaraderie, and achievement. This is the start of a new and exciting phase where students can make new friends, take advantage of opportunities, and work together with great enthusiasm towards a better future.

STUDENTS LEARN ABOUT ACTIVE CITIZENSHIP AT CARDET NGO'S CIVIC PARTICIPATION CONFERENCE

On February 24, Casa College and Kasa High School students attended the Cardet NGO workshop "Shaping Tomorrow: Enhancing Civic Participation in Cyprus Conference." The event focused on the crucial role of active citizenship in democracy. It featured discussions by experts covering participatory policy-making, civil society challenges, youth involvement, and media literacy. The students' participation provided valuable insights and motivated them to take a more active role in shaping their communities. The conference was organised for the EMERGE project, funded through the EEA and Norway grants. It highlighted the significance of citizen engagement and collective action in driving positive societal change.
