

On May 1, we celebrated International Labour Day, honouring workers worldwide and their essential contributions to society. This year's theme focused on workplace safety and health in a changing climate, emphasising the importance of creating safer, healthier environments for all. Casa College takes pride in supporting our staff and deployed students, particularly those engaged in internships within the hospitality industry. We recognise their dedication to the profession and our shared responsibility to foster a secure and nurturing atmosphere. Our commitment to our staff and students reflects our focus on their safety and well-being during internships. By prioritising their health and ensuring they understand the value of their work, we strive to contribute positively to the industry and the community. As we celebrate International Labour Day, let us continue standing together for a safer and brighter future for everyone.

CELEBRATING EUROPE DAY: HONOURING PEACE AND UNITY

On 9 May, we mark Europe Day, a day that celebrates peace and unity across Europe. This date commemorates the historic Schuman Declaration, which proposed a new way for European countries to work together, making war between them unimaginable. This declaration laid the groundwork for what we now know as the European Union. Casa College and Kasa High School support the values of freedom, democracy, equality, and the rule of law championed by the European Union. We teach our students about these important principles through our programmes, fostering a shared sense of peace and unity. As we observe Europe Day, let's remember the importance of working together for a better, more united Europe.

CELEBRATING MOTHERHOOD: A TIMELESS BOND

This year, we're excited to celebrate Mother's Day on May 12 with the theme "Celebrating Motherhood: A Timeless Bond." This particular day allows us to honour the extraordinary mothers within our Casa College and Kasa High School community. We sincerely appreciate all the mothers among our staff and students for their dedication and commitment to their families and work. At our school, we understand mothers' profound impact on their children's lives. Whether offering guidance and support or nurturing a love for learning, mothers play a crucial role in shaping the future. Today, we extend our warmest wishes to all our community's mothers and mother figures. Your hard work and devotion inspire us all, and we hope you have a wonderful day filled with love and appreciation. Thank you for everything you do!

EMPOWERING DIPLOMACY: MY EXPERIENCE AT MODEL UNITED NATIONS 2024

Last month, April 12-14, I had the chance to represent Yemen at the Model United Nations conference at the University of Cyprus. The theme, "Challenging the Status Quo: Together Towards Peace and Sustainability," set the tone for three days of debate and diplomacy. As a delegate in the United Nations Human Rights Council, I tackled the pressing topic of "Tackling Humanitarian Challenges in Yemen: Fostering Rights-Based Solutions." I focused on highlighting the need for targeted aid and protective measures for civilians, advocating for human rights-based solutions.

The conference was an intense but rewarding experience, teaching me the value of collaboration and the complexities of international diplomacy. Interacting with students from various backgrounds added depth to the discussions and helped to build a network of friendships. Presenting our resolutions at the end was a testament to our collective effort.

Overall, the experience deepened my understanding of global issues and strengthened my belief in the power of diplomacy for change.
