WELCOMING STUDY GLOBE UK

Casa College was delighted to welcome Mr Abdul Rauf Bhatti, the CEO of Study Globe UK, to our campus, where he received a warm welcome from our staff. During his visit, he had a productive meeting with our managing director, Mrs. Elina Saveriades, who discussed future collaborations between the two organisations. Their conversation focused on expanding student opportunities and strengthening our partnership to support aspiring learners in their academic journey.

Study Globe UK is key in bringing students from Pakistan, India, and Bangladesh together and helping them pursue quality education abroad. During his visit, Mr Bhatti also met with our admissions team, with whom he works closely, discussing his future applicants for the next intake and beyond. Ensuring a smooth process for students remains a shared priority, and we look forward to working together to help more applicants achieve their dreams. This visit reinforced our commitment to growing our partnership with Study Globe UK and creating even more opportunities for students in the future.

CASA COLLEGE ATTENDS WORKSHOP ON COMMUNICATING THE 17 SUSTAINABLE DEVELOPMENT GOALS

Casa College looks forward to applying the insights gained and remains committed to promoting sustainability education within its community.
