

A New Chapter Ahead

Every academic year brings more than just new classes and familiar routines. It brings opportunities to learn something new, meet new people, overcome challenges, and perhaps discover a direction we never expected.

As we welcome our college students back to Casa College, we are excited to see the community come together once again. Whether you are beginning your journey with us or continuing toward your next milestone, remember that progress is built one step at a time.

To everyone reading our newsletter, may this season bring you something to look forward to, something to learn from, and something to be proud of.

Expanding Horizons in India

Our institution's Managing Director, Elina Saveriades, recently visited three partner universities in India to strengthen academic connections and explore new opportunities for collaboration. During the visit, she met with university deans, faculty members, and more than 300 students to discuss international education, skills development, employability, and opportunities for students to gain global exposure.

The visit highlighted our institution's commitment to expanding its reach and creating new opportunities for Indian students to pursue higher education and international experiences in Cyprus, while building meaningful academic partnerships between the two countries.

Cricket Club: Game On!

After a long wait, our Cricket Club is officially underway! The first try-outs brought together students ready to play, connect and enjoy some friendly competition.

Led by Mr Davide Iori, the club meets every Monday, giving students from across our school community the chance to stay active, develop their skills and meet new friends.

Haven't joined yet? Come and be part of the team! Whether you're an experienced player or completely new to cricket, everyone is welcome. Bring your energy, give it a try and enjoy the game!

See you on the pitch every Monday!

A Taste of Tourism: Summer Short Course Comes to a Close

Our Summer Short Course, headed by Ms Chrysoulla Trisveli, came to a memorable close with a special excursion to Kakopetria, held in celebration of World Tourism Day. Students explored the village, experienced its unique hospitality, and took part in their final cooking session, preparing and enjoying food together. It was a wonderful way to bring learning, culture and hands-on experiences beyond the classroom.

The most awaited moment of the day was the distribution of certificates, celebrating the students' successful completion of the course and the experiences they gained along the way.

Ready for the next experience? Enrolment is now open for the next batch of our Short Course! Join us for another opportunity to learn, cook, explore, and create lasting memories.

A Student's Guide to Autumn

If this is your first autumn in Cyprus, be ready for changing weather. Days can still feel warm, while mornings and evenings become cooler, so dressing in layers and keeping a light jacket or umbrella handy is a good idea. Stay hydrated, wear comfortable shoes, and check local bus schedules when travelling around.

Most importantly, give yourself time to adjust to your new surroundings. Stay organised with your classes and important documents, join student activities, meet new people, and take the opportunity to explore Cyprus. A new country may feel unfamiliar at first, but every experience is part of the journey.

First Summer Internship

Three of our first-year BSc Hotel Administration students, Himesh Perera, Kimberly Brillantes and Jesella Batarlo, recently completed their first paid Summer Internship at our partner hotel, EU Pyrgos Bay Hotel in Kato Pyrgos. Through hands-on experience in restaurant service, housekeeping, taking orders, preparing beverages, and working with the hotel team, the students gained a practical understanding of the daily responsibilities and demands of the hospitality industry.

Reflecting on her experience, Jesella shared that one of her most memorable moments was learning to prepare different types of coffee during her first week. She also highlighted the importance of patience and customer service, saying, "This training taught me how hospitality truly works." For Jesella, the experience offered a deeper appreciation of the people behind the industry and the dedication required to deliver quality service.
